Tournament format

Saturday: pool games, non-stop playing mode

- ▶ games are 18 min, 2 min break
- ▶ 5 games per team
- ▶ siren = finish point, tie is ok
- ▶ place 1 have a spot in the 1/2 final
- ▶ place 2 and 3 advance to 1/4 final
- ▶ place 4 and 5 play crossover
- ▶ place 1 and 6 can sleep late!!!

Sunday: k.o. system, non-stop playing mode

- ▶ games are 22 min, 3 min break
- ▶ siren = finish point, if tied, add 1
- ▶ games are 22 min, 3 min break

Non-stop play:

▶ after a score, the **player waves the disc towards the scorerkeepers (this is important, otherways the score may not be counted!!!)** so they know it's a score and puts the disc down on the floor. Any player from the other team may pick up the disc, **walk to the center of the line, ground check**, and start playing immediately. There is no change of sides.

▶ **substitutes:** you may sub at any time in the game. There is a subbing zone marked in the middle of the sideline. The two players touch hands on the line (NOT in the field) when they sub. They must **not** be on the field simultaneously.

▶ it is a good idea to sub on offense only

▶ **mixed:** it is impossible to combine real mixed and non-stop. Therefore, the default is "2 women on the line". Team captains may agree to play 3 women, or play 2 half times 2-3 and 3-2.

▶ there is 1 **time out** of 30 seconds per team, **ONLY when you are behind in points!**

*Flexible timing Sunday morning:

Pleas note that the exac order of the Crossovers and Quarterfinals will only be announced during the party. In order to be able to feed you a decent breakfast, Saxy Divers can not play the first match!
